Belief statement:

We believe that the mission is best accomplished through a safe, secure, ad nurturing learning environment. We believe that we educate students for their future by providing an appropriate, challenging, and engaging curriculum.

Hundreds of students walk by this image on the floor of the front foyer at Whitko High School home of the...Wildcats

Mission Statement:

Our mission must be to educate each and every child who attends our school to become successful life-long learners and positive to the betterment of our collective societies

# THANK YOU!!!!

The Yearbook Staff would like to thank all of our supporters. Without you all of this would not have been possible. We would like to extend a special thanks to all of the parents, students, staff and faculty, Studio 13, Mark Childs at Jostens, our business partners, and all of you who purchased a yearbook. We appreciate the fact that you enjoy Whitko High School as much as we do. Thank you for choosing to preserve our memories with this publication. We look forward to seeing you next year.

Sincerly,
The Whitko High School Yearbook Staff

"It's been a great year; I'm honored to be a part of Whitko's Journalism program. I've seen such a positive progression in all of my students. I'm proud to be a Wildcat and to bring our academic and extracurricular endeavors into the public eye"

-Mr.Misiora-

I can't imagine a person becoming a success who doesn't give this game of life everything he's got.

-Walter Cronkite-

Jordan Sims powers up for a monster kick

**Along with the changes in season comes the changes in faces. It's a brand new year for Whitko High School! To many it seems as if summer just flew by too fast, but to many more it is a whole new adventure. For seniors, they are coming around the final turn and for freshman, it's just the tip of the iceberg. The 2010-2011 school year is teeing off and we get to live in that moment.**

# Family and Consumer Sciences

## What is Family and Consumer Sciences all about?

Family and Consumer Sciences is filled with varities of fun filled classes. Teresa Dagget, and Jill Eberly are new coming teachers this year. They took Culinary Arts to a couple contests this. At one of the contest they take two of the three given awards, one award from best overall dish, and another award for most original dish.

They are new comers at this school, but they're doing very well. They teach: Personal Finance, Nutrition&Wellness1&2, Textiles and Fashion, Child Development Orientation To Life & Careers, and Culinary Arts Careers.

You learn all about your adult life, how to cook, how to take care of a child, fashion, about your career in the future, and work with family and personal finance problems. Child Development has a big activity every year, each student takes care of their own baby.

## Culinary Arts

## Nutrition and Wellness

"Making desserts is my favorite thing to do in this class."
-Taylor Payne

## Child Development

"It made me realize how hard it is to be a parent, and I would be glad to wait."
-Rachel Kimberlin

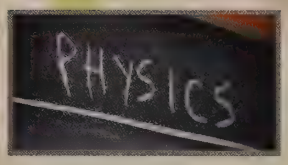
## Whats your favorite thing about teaching this class?

Mrs. Dagget

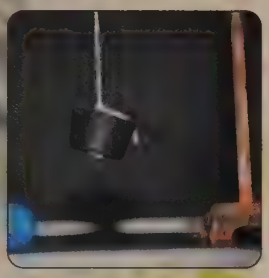
"The food is amazing and the class is a good challenge for any one willing to give it a go."

Mrs. Eberly

"Watching children succeed in life."

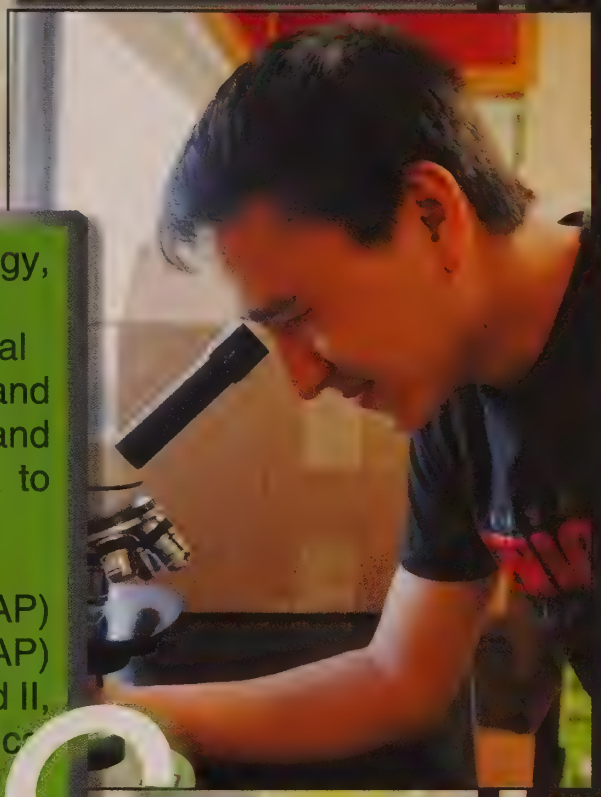


Thomas Dan(the man)ner



# science: (in the momentum)

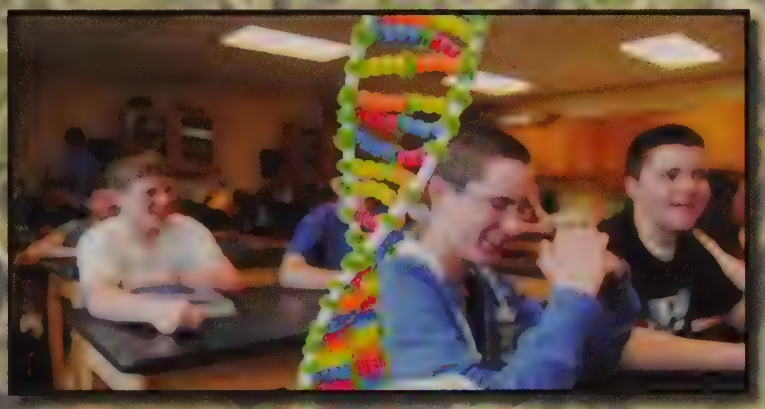
Whitko's Science branch aims to dive into the depths of "what's more" and arm students with the powerful ammunition of the word "why." Exploring different aspects of science, classes range from Biology, Zoology, Environmental Science, and Anatomy and Physiology to Integrated Chemistry/ Physics, (AP) Chemistry, (AP) Physics I and II, and Biomedical Sciences.

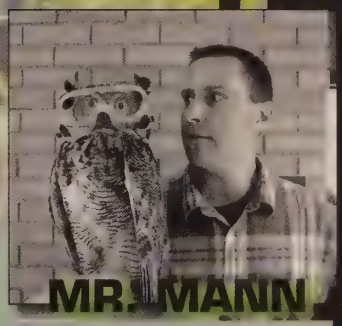


# the Science department

MR. GRANT

"Extremely loveable, and has great jokes."





MR. MANN

"He's very fair, and absolutely hilarious."

MR. DYCK

"He knows the entire periodic table... by heart."

**"At the root of all sciences is curiosity, the desire to know and understand."**

MRS. VISALLI

"It's cool how she has real job experience."

# English Department

What is your favorite thing about English?

Courtney Davison

"Reading a good book"

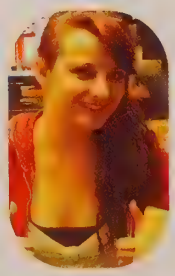
Mia De La Cruz

"Writing stories"

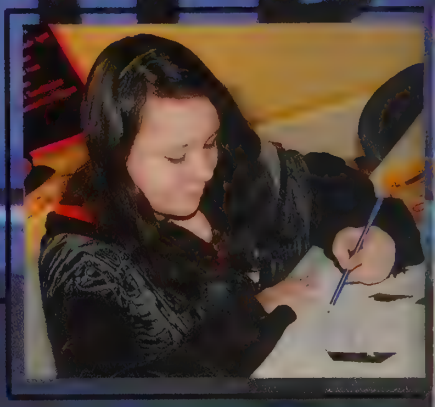
Stephanie Barker

"Reading"

Rachel Kimberlin



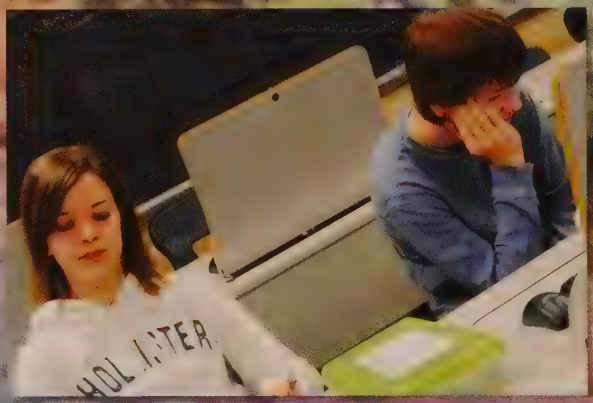
"Reading and Writing"



## English Wrap-Up

English classes dive into the depths of literature and grammar. Students develop their use of language as a tool for learning and thinking and as a source of pleasure. They also practice identifying, analyzing, and composing with different sentence structures, and genres of the written language. Creative Writing provides students with ample opportunities to combine literary creativity with the discipline of written discourse. The English department offers College Prep and AP English throughout your Junior year, College Prep your Senior year, English Literature, Mass Media, AP English Language and Composition, Language Arts Lab, and Etymology-SAT Prep.

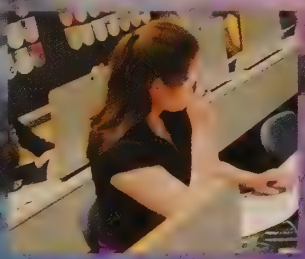
***"Nothing can come of nothing." -William Shakespeare***

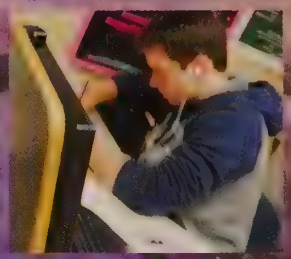


What is your favorite thing about teaching?

Mrs. Waterfield

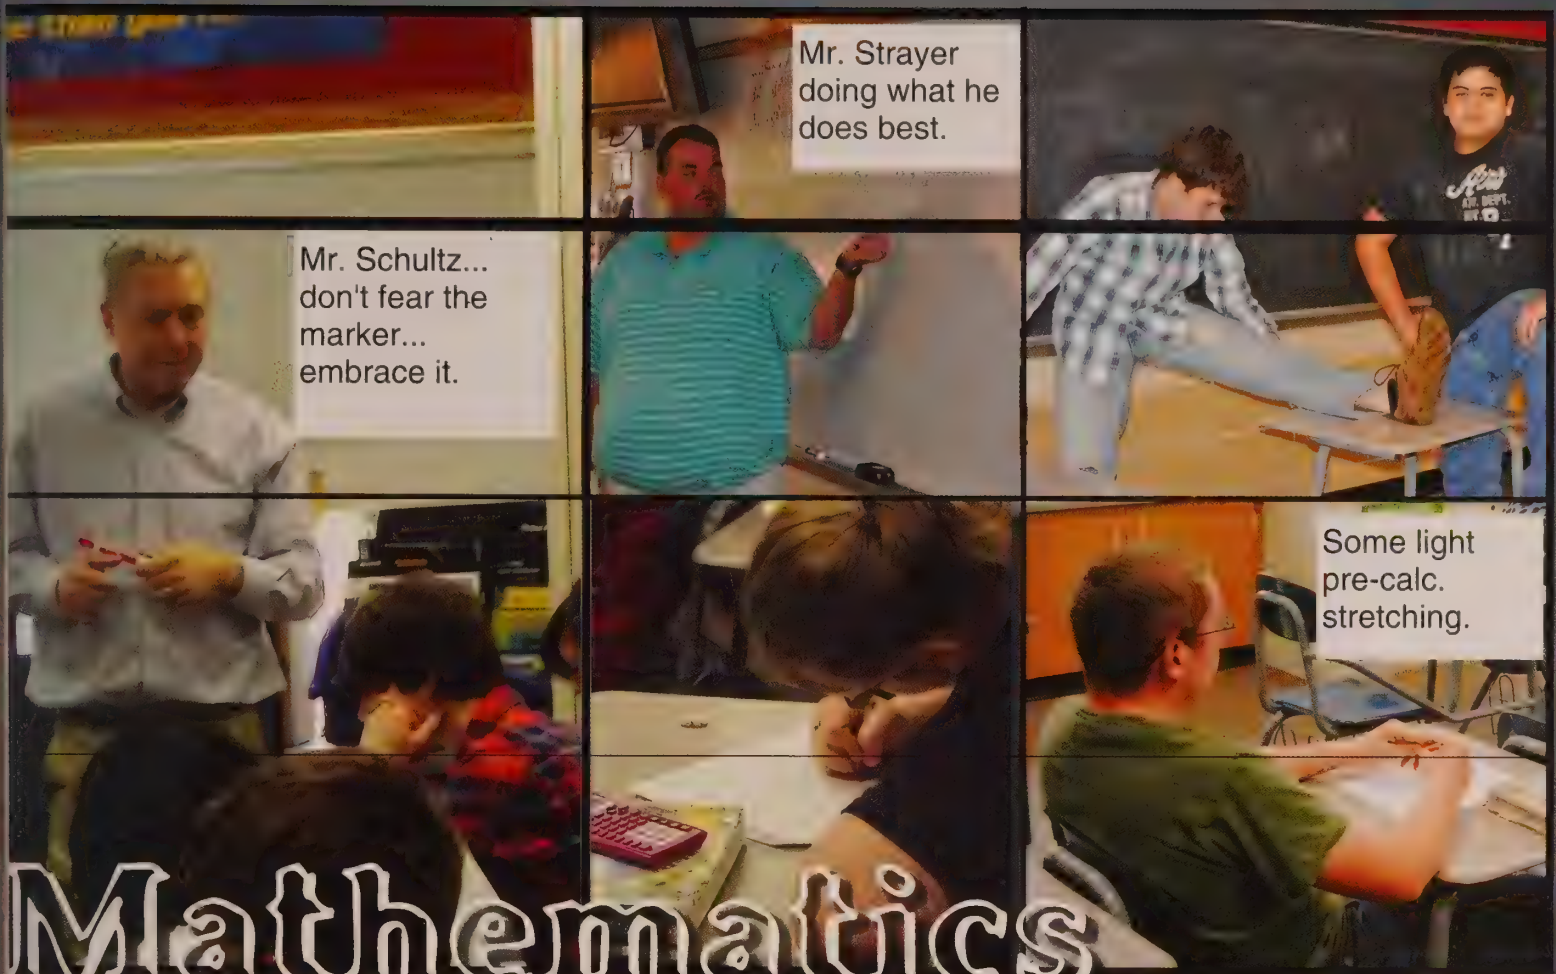
"Everyday is a new chance to learn something new, as a student and a teacher."





Mr. Misiora

"Writing, it gives you the power to create your own world."



# Mathematics

Whitko's math department aims to calculate the differences from each student and plugs them back into the equation of life. The courses offered are designed to challenge each student's mind while simultaneously allowing them to learn at their own pace and comfort. The classes offered are Mathematics Lab, 2 year Algebra 1, Algebra 1, Geometry Algebra 2, Pre-Calc./ Trigonometry and AP Calculus Pre-Calculus/ Trigonometry, AP Calculus, and Probability and Statistics.

## What's the Best Part About Math?

# SOCIAL STUDIES

## Social Studies.....

Social Studies at Whitko High School begins with World History. The students learn many different things in class like Japanese American Interment, FDR's Declaration of War Speech, Pearl Harbor, and the Holocaust. Whitko has four different social studies teachers, Mrs. Longenbaugh with U.S History, Psychology, and Sociology, Mr. Mohr with Geography, World History, and U.S. History, Mr. Swender with World History, and Mr. McKerr with U.S. History, Government, and Economics. Social Studies is important to Whitko because, it teaches us leadership, how to be acknowledgeable, and how to treat others with respect.

## Business as Usual...

In Business, there are plenty of classes including; Career Planning, Business Technology, Accounting, Personal Law, Business Foundations, and Business Math. Mr. Clark is in charge of teaching all the business classes. Some of the activities that the business classes do are mock interviews, making resumes, and computer projects. They also show you how to live, plan, and work successfully in today's society. People look forward to the mock interviews. It gives them a chance to experience what an actual interview will be like. Business helps you realize what life will be like after high school And college.

## Woods and Metals....

Throughout the semesters the woods and medals class have created multiple extravaganzas. Both classes involve hands-on learning in which case triggers the right portion of the brain. And furthermore the students are allowed to create their own designs instead of going off of a book or other things such as that.

## Physical Education

In PE, students learn about being active, working out, staying in shape, and living an overall healthier lifestyle. Students are required to take PE I and PE II as freshmen; however, students may also take Introduction to Weights, Strength and Conditioning, Speed and Agility, Indoor Team Sports, Outdoor Team Sports, Recreation, and Fit For LIfe. In these classes students lift, run, and play games anywhere from softball to the popular dodgeball.

Spirit week is an opportunity for students and teachers alike to have fun and get excited before the big game. One way our school does that is by organizing dress-up days. Monday, students were to rock their pajamas, on Tuesday they needed to sport their class color, Wednesday was plaid and sunglasses, on Thursday, kids wore their favorite college gear, and finally on Friday, students supported the school by wearing red, white and blue.

# HOMECOMING

## Homecoming means more than Kings and Queens

It's that time of year all of us look forward to, whether you like football, cheering, or hanging out with your friends, we all know Homecoming is an important part of every year during highschool. It's one of the many times where our school comes together and cheers toward a common goal to win the big game. Our Wildcats played the Wabash Apaches, and beat them with a final score of 38 to nothing. Go Cats!

# Volleyball

## Volleyball.....

Perseverance, dedication, and hard work. This year's 2010-2011 volleyball team accomplished all aspects with the game of volleyball. They had the same coaches as last year, Doug West and Brandy Smith. They had a great year. The JV team was 6-17. The Varsity team was 5-24. They worked very hard. The coaches had a fun time working with the teams and will miss the seniors, but hopefully there will be a bunch of seniors next year playing volleyball, so they can get their letter and a scholarship for college.

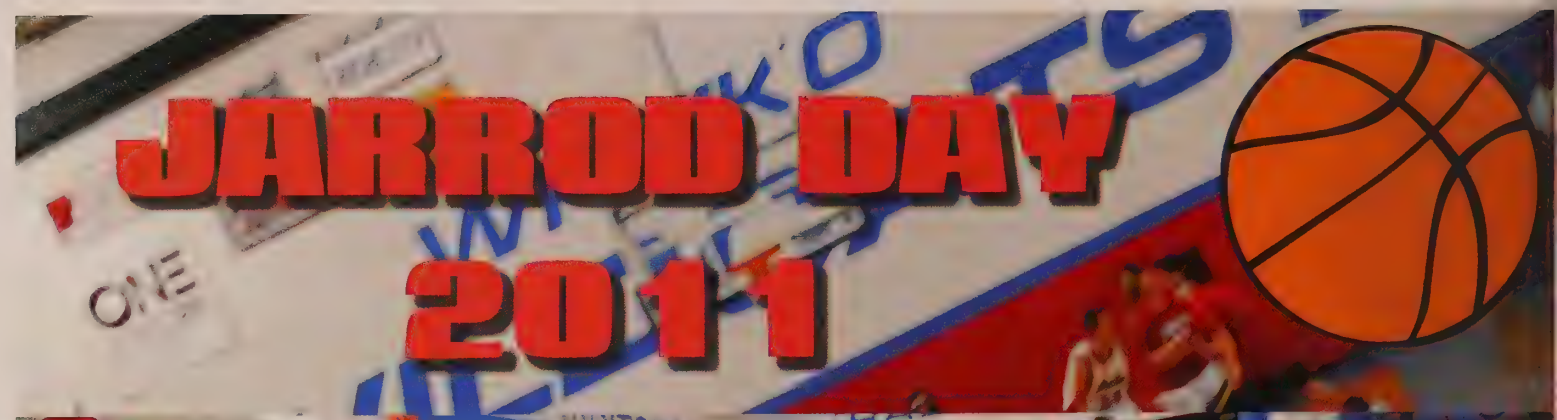
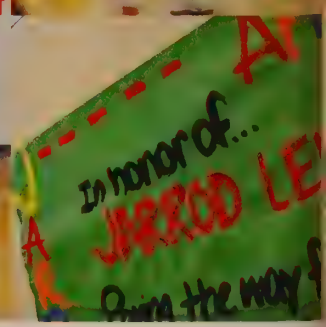
# JARROD DAY 2011





## *Paving the Way for Families in Need*

"Today is the second annual Jarrod Day. On October 6, 2009, the students of Whitko High School listened, as over the intercom we heard the news that a car accident involving some of our fellow classmates had occurred. Throughout the day we found out bits and pieces of what had happened and who was involved. One of those involved was Jarrod Lewis. At the time, Jarrod was a senior who participated in football and wrestling. He was a leader in the school and a captain on the field. His school spirit was evident through all that he participated in. Throughout the following months we were informed on his progress towards healing. As the school year wound down last year, National Honor Society organized a tournament between seniors and teachers in order to raise money for Jarrod and his family. This year we once again partake in Jarrod Day--a day that we hold in honor of a student who represented Whitko with all of his spirit. The money raised today will be going to two separate families: the Gregory family and the Rigsby family. The Gregory family lost a father and husband recently. He also drove buses for the Whitko Corporation for many years. Half of the money will also be given to the family of Kurt Rigsby, a Whitko student who was a senior this year and who recently passed away. Although the money will not be going to Jarrod Lewis and his family this year, we continue to title this event "Jarrod Day" in order to remember a student who paved the way for us to help many other heart broken families in our community, and to always remember that in the midst of tragedy, good can always arise.

## Season Wrap-Up

This was the first year that Whitko had a separate boy's team to compete with. The Cats had a lot of young talent on their team this year, and in years to come, they look very promising. The boys played very physical and hard fought games against many teams such as Southwood and North Miami.

The Cats will be looking forward to a brand new season next year with the coaching of Dwayne Kanode. This year was the final year of soccer for two Whitko soccer players; David Miller and Zach Jones. Next year, will be the first year that Whitko will be sanctioned for soccer, so look forward to a very exciting season.

## Season Wrap-Up

Whitko finally had a full girl's team to compete with this season. The girls had many new faces to the high school team this year. In the following years, they look very promising and have alot of talent for the sport. The girls played many well matched teams such as Grant United and Southwood. The team will be looking forward to a brand new season next year with the coaching of Gary Sims. The Lady Cats will be looking up to captains Cassie Jones and Micaela Sylvester for guidance.

## Men's CC

The boys' cross country team turned the pages of history this year, with their second consecutive TRC win and their first ever sectional win. They succeeded in wowing us all. To top that off, senior Brian Menzie became the second runner ever from Whitko to move on to the state competition, where he placed 49th out of 197. The boys' cross country team had a fantastic season; even though 4 seniors, Brian Menzie, Trent Walther, Wade Eberly, and David Johnson, will be taking the trail to their futures. The next generation of Mens' Wildcat Cross Country will strive on to keep the legend alive, and we look forward to seeing history made again next year. Good job, boys!

The girls cross country team had a great season this year. Four seniors, Aubrey Smith, Shandi Oswald, Christena Hoopingarner, and Rylie Snep, and three underclassmen, Becca Thomson, Jocelyn Krull, and Holly Frantz, led and gave their all and finished in great standings. Success need not be proven by how they placed in each race but by how many miles are in their shoes, and how much heart they put in each of race. There is goodness without them and we look forward to seeing it again next year.

## Pep-rally ready:

Last spring the squad welcomed Kirstyn Womack, Katelyn Daniels, Ashley Moser, Natalie Bryan, Maddie Burton, Elizabeth Hardesty, and Brooke Reed to the team.

When summer came, the girls were hard at work preparing for camp. There, they learned a handful of new cheers and chants, and a great new dance!

The cheerleaders came home it and was time to get ready to cheer for football season!

'A good cheerleader is not measured by the height of her jumps, but by the span of her spirit.' -Unknown

The cheerleaders really had a fun season. Through the cold and even hot nights, they always had a smile on their face.

The squad had their 'Kids' Camp' and thier was many happy faces! The girls learned how to cheer, chant, and best of all, let their spirt shine through! The squad hopes to see them in their spot someday!

They live in the moment by cheering our wildcats on to a great season, and they did just that!

## Loud & proud:

By the time basketball season started the cheerleaders were ready to cheer the basketball players to a great victory!

The squad had some guys come in and were able to throw up some really great stunts!

The Cheerleaders worked hard and tryed their best to keep everyone in the gym exited for the game!

Our cheerleaders want people to be proud of their team, just as they are!

'I trade sweat for strength. I trade doubt for belief. I trade cheerleading for nothing!' -unknown

The squad did thier basketball season 'Kids' Camp' and like the season before, it was very fun and all the girls were happy!

Around Christmas time the team did a dance to 'All I want for Christmas is you' in their cute Santa hats.

The girls had a great time this season cheering on thier wildcats to some great wins!

They kept their heads up, a smile on thier face, and always let thier spirt show. They really live in the moment by being our wildcats' supporters!

## LIVE LIFE TO THE FULLEST!

Why are all these people dressed up in elegance? The answer is Mardi Gras! Mardi Gras is a celebration of carnicals and of classy good times! Masks are a huge part in the whole mardi gras persona. Mardi Gras is French for "Fat Tuesday", referring to the night of feasting before, fasting.

Now, this night was filled with fun in and out of the dance floor! Surely this was an event not to be missed! One thing that changed was the abscence of a particular Prince and Princess. But, oh well maybe next year will be more accomadating to include a Prince and Princess! Yes, let the good times roll!

## Reveiw

Head nuns, old nuns, ninja nuns, killer nuns, ex nuns, and crazy nuns! Nuns, nuns, and more nuns dominated the theatrical stage this fall season. *Murder Can Be Habit Forming* was a hilarous play about a mis-matched group of travelers snow-bound in a convent full of nuns. but the only problem is one of them is a KILLER! Full of laughter romance, and plot twsts; the Whitko Fall Play was a huge success, made possible by the directors Dawn Hinthorn and Suzy Trixler and by the cast's fabulous performance.

## HELLO, DOLLY!

Love was in the air during Whtiko's Spring Semester. Students performed the musical *Hello, Dolly!* on April 29th and 30th. In this musical, a matchmaker from New York named Dolly, who is played by Cece Cherry is hired to find the grumpy, rich Horace Vandergelder, played by David Johnson, a wife. With multiple love triangles, this play was an exciting performance. Everyone who participated has worked hard to make this play enjoyable for other students, teachers, and family to come and watch. Saying this musical was a success would be an understatement, many are saying it's the best performance Whitko has ever given us.

## Year in Review

After three of Whitko's finest wrestlers went to the State Finals last year but came up short, the Whitko wrestiling team was thinking about going back to State again this year. Their wish almost came true.

Coach Frank Baumgartner is the new head coach this year for the Cats. Him and Assistant Coach Brad Clark are really looking forward to winning it all this year.

In TRC, the Cats finished second. But were forced to forfeit three weight classes. Good job, guys! You did great!

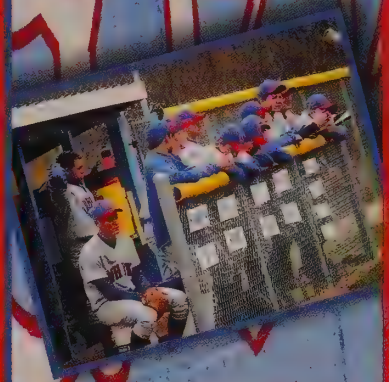
## Year in Review

This season of baseball for the Cats went as planned, especially for the JV squad. Their fans really appreciated the heart and dedication the Cats used during every game.

Coach Hisner really thought his boys did very well for the 2010-2011 season. They got the job done when it was needed and the Cats finished 2nd in TRC.



JUNIOR VARSITY

### Quotes From Coach Hisner

"This was a fun and enjoyable group of young men to be around this year. They made it a successful season by displaying a commitment to get better each day."

"We will greatly miss our five seniors, especially our two co-captains Nathan Sherrard and Alex Winger. Both Nathan and Alex were four-year students who not only excelled on the field, but more importantly served as leaders for our program off the field."

# Art Department!

## Art Department

The Art Department performs three roles at Whitko; the first, provide an enriched experience for students with great potential, the second, to provide purposeful experiences for students who show likelihood of pursuing the art field, and third, enlighten the student to gain a complete understanding of art.The Art Department has many classes including; Advanced 2-D art, Advanced 3-D art, Intro to 3-D, Intro to 2-D, Ceramics, Drawing, and Visual Communication. Mr. Malicki is in charge of the whole art department. Everyone looks forward to the Scholastic Art Contest. Hundreds of submissions were entered this year.They won Gold Key, Silver key, and Honorable Mention awards this year.

# Beginning Choir: 2010-2011

## CHOIR.....

It all begins in Beginning Choir for new Whitko singers. Students learn how to sing different parts like: first & second alto, first & second sopranos, and baritones. They also utilize their voices more by singing much more than in Middle School. After students complete beginning choir, they move up to concert choir where they are challenged even more with difficult music and new parts to sing. At the beginning of the year, Mrs. Hinthorn took in a student teacher, Bekah Porterfield, from Grace College. Bekah taught them new warm-ups to sing, directed our first concert in December. The activites that they did were: Concerts and the assignments that they do are called Wiki's. You may wonder what they are. They are assigned every week and due every Friday at 11:59. They are really easy, only 10 minutes. They had four concerts out of the whole year.

Gospel Choir is a group which you must audition for and prove that you are ready to sing. This group sings traditional Christian Gospel songs. The group travels during the week and Sunday mornings to churches around the area.They also sing at community events, the school concert, and sing the National Anthem at sporting events. Just like Beginning and Concert Choir they learn their music to perfection as they learn and practice everyday.

# Concert Choir

Concert Choir is the second step in choir. After a student finishes Beginning Choir they then move onto Concert Choir. In this class they take on music that challenges the group as a whole with mezzo, pitch, and individual parts such as sopranos, altos, and baritones. This year students learned new songs such as; "Somebody to Love," "We are the World," "Keep Holding On," and so many others. Not only that they have learned the meaning of music notes and why we use them as they do internet Wiki Assignments each week and in the end are tested over them.

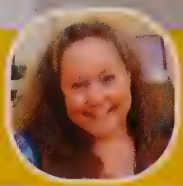
## It's a Band thing

Concert band is a class that student attend daily to focus on concert pieces. They perform in some pep band games and at two concerts. The first concert was held on December 16 and a spring concert on May 23, culminating in a final performance during the Senior Graduation Ceremony on June 10th.

"Practice does not make perfect. Practice makes permanent." -Mrs. Shisler



# Pep Band

## What's happening in the band

Pep band is a class in which students focus on volume and accuracy of rhythms. The band attends all scheduled home football and basketball games. For each game the students play a series of energetic songssuchas; "GoBigBlue," "Crazy Train," "Give Me Some Lovin," and many more just to get the crowd and student section pumped up when the team is down or just before the team comes out to play ball. The director is Lisa Shisler she also directs for all of the Whitko School Corporation.

## We're with the band...

Jazz Band, lead by director Lisa Shisler, is an advanced, extracurricular activity for all band students. This year the Jazz Band traveled to South Whitley and Pierceton Elementary schools. They did so in order to get fifth grade students excited about playing instruments in the middle and high school bands. This band also focuses on a different type of rhythm that allows students to swing some of the notes in order to give the music a jazz feeling.

# Living in the Moment

# Class of 2011

# A Red Carpet Affair

Prom is the time of year when juniors and seniors get "dressed to kill" and dance the night away. It's the one time of the year where you can party until you drop. This year's prom was held at Orchard Ridge Country Club in Fort Wayne on May 21st.

The theme was "A Red Carpet Affair". Prom is one of the last big HURRAHS for seniors before graduation. It is special for people because they can make memories for themselves that will last forever.

Upperclassmen danced with their friends, went on carrage rides, who was king and queen. Prom Queen wasJyl Riemersma, King was David Campbell. Princess was Caralyn Grandstaff and Prince Dakota Harmon.

# GOOD BYES

The end of the year is already here! Some of us may sob and some of us may cheer. As soon as the end-of-the-day bell rings to let us out, we leave this place leaving nothing but shouts!

It's time to say good bye to the spring school year of 2010-2011! Just think next year, we do it all again in the fall!

The seniors have good memories here. They leave Whitko High School giving hugs and sharing some tears!

# Thank you to all of the sponsors who helped make this yearbook possible.
